

NEWAYO'S LEGACY SISTERS OF THE NYSP

To all current and retired female members, and those who identify as female,

In 2023, a few of us began discussions on the need for the formation of a group to provide support to our current and retired female (and those that identify as female) members. The purpose of this group is to establish a strong social network for our female members. It will foster a sisterhood that allows us to support one another through hardships and challenges that find us throughout our lives and career and to promote growth through mentorship and inspiration. This group will embody our founding agency mission of public service, and will exemplify our core values of integrity, leadership, service, continuous improvement and learning, and safety.

Two fundamental principles of this group are support and mentorship and as such we want to provide our female members with contact information for those of us who are starting up this group and willing to act

as mentors. Should a situation arise that you want to discuss or may need advice on, we are here!! You can contact anyone of us, as rank does not play a role in the building of this Sisterhood.

**Please note this group is not sanctioned by Division and all activities will be conducted in an off-duty capacity. **

I will leave you all with these words from the amazing Maya Angelou “*Let me remind all women we live longer and better lives when we have sisters we love, not necessarily born in our bloodline or of our race.*”

Thank you for your time and attention! Your fellow sister in gray,
